

Kimberton Dance Academy End of Year Performances 2022

****Please read this letter in its entirety and call with any questions you have (484)889-7482 or email kimbertondance@gmail.com****

Dear Parents and Students,

We are excited to celebrate our 10th annual End of Year Performances this June! We have every intention of putting on our shows in the beginning of June, but due to the current situation, we are still in the process of securing a location. Details are still to be determined; however, costumes need to be ordered at this time. Every student in a registered class is eligible to be in the performance. Each class will begin working on a piece for the performance in January or February. Time spent rehearsing for these pieces will be towards the end of class time. Providing a performance opportunity to our students is very important to their overall development as a dancer and we hope that all of our students will participate in our year end performance. Please see below for a few details regarding participation, dress rehearsal, and costumes:

DRESS REHEARSAL:

Dress Rehearsals dates will be provided as soon as possible. **STUDENTS WHO DO NOT ATTEND DRESS REHEARSAL WILL NOT BE ALLOWED TO PARTICIPATE IN THE PERFORMANCES – NO EXCEPTIONS.** We have this policy so that it is fair to all of our students. Students are expected to think of dress rehearsal as if it was the show – aka, costumes, stage makeup, hair slicked back into the hairstyle we have instructed for their class (TBD).

COSTUMES:

Each student will have a costume ordered for them if they agree to participate in the show. Instructors choose the costumes for their class, and we will provide pictures of what each class costume is in a binder that will be located at the Receptionist's desk. As we need to pay for all costumes at the time of ordering, there is a costume fee due of \$70 per costume at this time. Any student whose account balance is not paid at the time of distribution will not receive their costume until payment is received. Other items of attire that will be needed for the show include tights and shoes – the specific styles that your student will need are on our website under "Classes" then "Class Attire". If you have not purchased the specific brands and colors that we have noted for each style and class, please do so before the performance. We have the correct tights for sale at the studio (\$16/adult and \$11/child). Please purchase from the receptionist. Students will receive their costumes to take home in May. Please note: Students in Pointe classes do not have costumes if their class is doing a piece.

PARTICIPATION:

There is a \$25 per student recital fee for participation in our show, which is separate from costume fees. This helps with paying for theater costs and for the aid of staff before, during, and after our show.

Permission and Fee Statement:

I have read and understood all of the information in this letter. I am enclosing a \$70.00 non-refundable costume fee as well as a \$25.00 recital participation fee per student. I also agree to the following:

- I will wait until the end of the entire recital show to pick up my child from the dressing room (this policy is for the safety of each and every student)
- I will not take pictures using phones, cameras, tablets, or use any video equipment during the performance. At the dress rehearsal, I may use video and/or cameras.
- I understand that the auditorium doors will not be opened while dances are being performed. (This is a disrespectful distraction to the performers as well as audience members)
- I understand the percentage of time my child spends on stage in their recital piece is dependent upon their attendance in class leading up to the recital.
- I understand that I am responsible for all dancewear and accessories required for the recital.
- I agree to pay the \$25.00 participation fee and full costume fee (or fees) per student by **12/11/21**
