

# Bryn Mawr College, Goodhart Hall

## Parking Instructions

Goodhart Hall at Bryn Mawr College does not have its own parking lot. Attached you will find a map of Bryn Mawr College that will help you understand the layout of the campus and parking options. Please read below, as on performance day there will be more parking options.

As a reminder, some of the parking options can be far away and limited. Please plan accordingly to leave time to find parking and to how you & your dancer will be transporting costumes, food, dance bags, etc.

### Dress Rehearsals

Parking Areas #1, #2, and #3 are a quick 5-7 min. walk through campus to the theater. #1 and #2 are smaller lots, #3 is a larger lot.

Street Parking is available along North Merion Ave on one side of the street. Depending on where you park you could be a 1-minute walk to the theater or a little longer of a way if you park up towards New Gulph Road.

Please plan to arrive a few minutes early to find a place to park and walk with your younger dancer to the theater. Older dancers can be dropped off in the circular drive directly in front of the theater entrance.

**PLEASE DO NOT PARK** in the circular driveway as it is a fire lane. It is meant for drop off. If you need to assist your dancer inside, please find a parking spot.

**PLEASE DO NOT PARK** in the Shipley School Parking Garage that is adjacent to the theater. The garage is owned and operated by the Shipley School and is unavailable during our dress rehearsals.

### Performance Day

The Shipley School Parking Garage will be open for our use June 11<sup>th</sup> only. All parking lots and street parking will be available for use as well.

For those attending the show, the circular drive that's in front of the theater entrance can be used to drop off anyone that may find walking difficult. There is also a wheelchair ramp located on the side of the building if needed.
